Dear All

## **‘BETTER WORLD FRAMEWORK’ WEBINAR SERIES – SEPTEMBER SCHOOL HOLIDAYS (5 – 10 SEPTEMBER 2020)**

Greetings from the Singapore Scout Association.

The ‘Better World Framework’ was conceptualized in 2015 to integrate established world programmes and to promote the engagement of young people in community development. In line with the Scout Movement’s commitment to the achievement of the United Nations Sustainable Development Goals (SDGs), the ‘Better World Framework’ is now enabling NSOs to align their community actions with the SDGs.

The ‘Better World Framework’ is a set of coordinated programmes, campaigns, calls to action, and events designed to develop the competencies of young people to become global active citizens by acting around issues related to sustainable development.

Flagship initiatives under the ‘Better World Framework’ are:

- **Scouts of the World Award** – Patrimonto Scout Challenge
- **Messengers of Peace Initiative**
- **Dialogue for Peace Programme**
- **Earth Tribe Initiative** – Champions for Nature Challenge, Tide Turners Plastic Challenge, Scouts Go Solar Challenge

The aim of the webinar series during the September school holidays (from 5 to 10 September 2020) is to raise awareness of the ‘Better World Framework’. More details can be found in Annex A.

Leaders are encouraged to register their Scouts for the webinars at the MSDS Youth Programme registration portal at <http://intranet.scout.org.sg> by **Friday, 4 September 2020, 6pm**. A webinar link will be provided via email upon successful registration.

Kindly contact the ‘Better World Framework’ team at [betterworld@scout.sg](mailto:betterworld@scout.sg) or Mr Norizam Baharon (Executive, Programme & Operations) at [norizam@scout.org.sg](mailto:norizam@scout.org.sg) or 62592858 should you require any assistance.
